You should've gone home

## Fill in the gaps

### Should've Said No (Live) by Taylor Swift

t's strange to think the songs we (1) to sing	You should've thought (16) 'fore you let it all go
The smiles, the flowers, everything is gone	You should've (17) that word
Yesterday I found out about you	But with what you did with her
Even now just (2) at you (3)	Get (18) to me (get (19) to me)
wrong	And I should've been there
You say that you'd (4) it all back	In the back of your mind
Given one chance	I shouldn't be asking myself "why?"
t was a moment of weakness	You shouldn't be begging for
And you said "yes"	Forgiveness at my feet
You should've said "no"	You should've said "no"
You should've (5) home	Baby, and you might still have me
You should've thought (6) 'fore you let it all go	I can't resist
You should've (7) (8) word	Before you go tell me this
Nith what you did with her	Was it worth it?
Get back to me (get (9) to me)	Was she worth this?
And I should've been there	No no, no no no, no
n the back of your mind	You should've said "no"
shouldn't be asking myself "why?"	You should've gone home
You shouldn't be begging for	You should've (20) twice 'fore you let it all
Forgiveness at my feet	go
You should've (10) "no"	You should've (21) word
Baby, and you might still have me	But with what you did (23) her
You can see that I've (11) crying	Get (24) to me (get back to me)
Baby you know all the right (12) to say	And I should've been there
But do you	In the back of (25) mind
Honestly (13) me to believe	I shouldn't be asking myself "why?"
We could ever be the same?	You shouldn't be begging
You say (14) the past is the past	For forgiveness at my feet
You need one chance	You should've said "no"
t was a moment of weakness	Baby, and you (26) still have me
And you said "yes"	
You should've (15) "no"
