You've given me, given me

Fill in the gaps

Shattered Dreams by Johnny Hates Jazz

So much for (1) promises	Nothing but shattered dreams, shattered dreams
They died the day you let me go	Feel like I (7) run away, run away
Caught up in a web of lies	From (8) empty heart
But it was just too late to know	From this empty heart
I thought it was you	I thought it was you
Who would stand by my side	Who said they'd die for love
And now you've (2) me, given me	And now you've (9) me, given me
Nothing but shattered dreams, (3)	Nothing but shattered dreams, shattered dreams
dreams	Feel like I (10) run away, run away
Feel like I could run away, run away	From this empty heart
From this empty heart	You've given me, given me
You said you'd die for me	Nothing but shattered dreams, shattered dreams
Woke up to reality	Feel like I could run away, run away
And found the future not so bright	From this empty heart
I (4) the impossible	(Oh no no no)
That maybe (5) could work out right	You said you'd die for me
I thought it was you	(Oh oh)
Who would do me no wrong	Die for me
And now you've given me, given me	So much for your promises
Nothing but shattered dreams, (6)	So much for your promises
dreams	
Feel like I could run away, run away
