

Fill in the gaps

Cannonball (Cover) by Little Mix

There's still a little bit of (1) taste	Stones (17) me to fly
In my mouth	Love taught me to lie
There's (2) a (3) bit of you laced	So come on courage
With my doubt	Teach me to be shy
It's (4) a little hard to say	'Cause it's not (18) to fall
What's (5) on	When you (19) you (21)
There's (6) a little bit of (7) ghost	don't know
Your witness	Stones (22) me to fly
There's still a little bit of your face	Love taught me to lie
I haven't kissed	So come on courage
You step a (8) (9) each day	Teach me to be shy
That I can't say what's going on	'Cause it's not (23) to fall
Stones (10) me to fly	When you float like a cannonball
Love (11) me to lie	(Stones taught me to fly)
Life taught me to die	Love taught me to cry
So it's not hard to fall	So (24) on courage
When you (12) (13) a cannonball	Teach me to be shy
There's (14) a little bit of your song	'Cause it's not hard to fall
In my ear	And I don't wanna scare him
There's still a little bit of your words	It's not (25) to fall
I long to hear	And I don't wanna lose
You step a little (15) to me	It's not hard to fall
So close I can't see what's (16) on	When you float (26) a cannonball
