

## Fill in the gaps

There's still a little bit of your taste		Stones taught me to fly	
In my mouth		Love taught me to lie	
There's still a little bit of you laced		So come on courage	
With my doubt		Teach me to be shy	
It's still a little hard to say		'Cause it's not (6)	to fall
What's going on		When you know that you jus	t don't know
There's still a (1) bi	it of your ghost	Stones taught me to fly	
Your witness		Love taught me to lie	
There's still a little bit of your face		So come on courage	
I haven't kissed		Teach me to be shy	
You step a little (2)	each day	'Cause it's not hard to fall	
That I can't say what's (3)	on	When you float (7)	_ a cannonball
Stones taught me to fly		(Stones (8)	me to fly)
Love taught me to lie		Love taught me to cry	
Life taught me to die		So come on courage	
So it's not hard to fall		Teach me to be shy	
When you (4) like a cannonball		'Cause it's not hard to fall	
There's (5) a little bit of your song		And I don't wanna scare him	
In my ear		It's not hard to fall	
There's still a little bit of your words		And I don't wanna lose	
I long to hear		It's not hard to fall	
You step a little closer to me		When you float (9)	_ a cannonball
