Fill in the gaps

Please Don't Say You Love Me by Gabrielle Aplin

Summer comes and winter fades	Cause I (15) not say it back
Here we are just the same	Fools (16) in
Don't need pressure, don't need change	And I've been fooled before
Let's not give the game away	This time I'm gonna slow it down
There used to be an (1) space	'Cause I think this could be more
A (2) without a face	The thing I'm (17) for
But with your presence and (3) grace	Just please don't say you (18) me
Everything (4) into place	'Cause I might not say it back
Just please don't say you love me	Doesn't mean my heart stops skipping
'Cause I might not say it back	When you look at me (19) that
Doesn't mean my (5) stops skipping	There's no need to (20) when
When you look at me like that	You see just (21) we're at
There's no (6) to worry when	Just please don't say you love me
You see just where we're at	'Cause I might not say it back
Just please don't say you love me	Please don't say you love me
'Cause I might not say it back	'Cause I (22) not say it back
Heavy words are hard to take	Doesn't mean my heart (23) skipping
Under (7) (8) things	When you look at me like that
can break	There's no (24) to worry when
And how we feel is hard to fake	You see just where we're at
So let's not (9) the (10) away	Just (25) don't say you love me
Just please don't say you love me	'Cause I (26) not say it back
'Cause I might not say it back	Just please don't say you love me
Doesn't mean my heart stops skipping	'Cause I (27) not say it back
When you look at me (11) that	
There's no need to (12) when	
You see just where we're at	
lust (12) don't soveyou (14) mo
