

Fill in the gaps

There's still a (1) bit of your taste	I (12) to hear
In my mouth	You step a little (13) to me
There's (2) a (3) bit of you laced	So close that I can't see what's (14) on
With my doubt	Stones taught me to fly
It's still a little hard to say	Love, it taught me to lie
What's going on	Life, it (15) me to die
There's still a little bit of your ghost	So it's not (16) to fall
Your weakness	When you (17) like a cannon
There's still a little bit of your face	Stones taught me to fly
I haven't kissed	And love (18) me to cry
You step a (4) (5) each day	So come on courage
That I can't say what's going on	Teach me to be shy
Stones (6) me to fly	'Cause it's not (19) to fall
Love, it taught me to lie	And I don't wanna scare her
Life, it taught me to die	It's not hard to fall
So it's not (7) to fall	And I don't (20) lose
When you (8) a cannonball	It's not hard to grow
There's still a little bit of your song	When you know (21) you (22) don't
In my ear	know
There's still a (10) bit of (11) words
