She'll lie and steal and cheat	I would do the same, you'd best believe	
And beg you from her knees	And the highway (6)	say we're close
Make you think she means it this time	But I don't read (7)	_ things anymore
She'll tear a hole in you	I never trusted my own eyes	
The one you can't repair	When we were young	
But I still love her, I don't really care	(Oh, oh) we did enough	
When we were young	When it got cold	
(Oh, oh) we did enough	(Ooh, ooh) we bundled up	
When it got cold	I can't be told	
(Ooh, ooh) we bundled up	(Ah, ah) it can't be done	
I can't be told	So keep your head up	
(Ah, ah) it can't be done	Keep your love	
It's better to feel pain	Keep (8) head up	
Than nothing at all	My love	
The (1) of love's indifference	Keep your (9) up	
So pay attention now	My love	
I'm standing on your porch (2) out	Keep your head up	
And I won't leave (3) you come downstairs	Keep your love	
So keep your head up	Head up	
Keep your love	Love	
Keep your head up	Head up	
My love	Love	
Keep your (4) up	Head up	
My love	Love	
Keep your head up	Head up	
Keep your love	Love	
And I don't blame you dear		
For running (5) you did all these years
