

The way we were

Now lost it's way at nights

## The Blood That Moves The Body by A-ha

It's the way we feel	It's the way we feel
Tonight	Tonight
As if it's all unreal	
All right	(The blood that moves the body)
My love	(The blood that moves the body)
Won't you come (1) to	Not long ago
Our love	It hurt us so
You (2) I'll react to	A tremble through our lives
The blood (3) moves my body	The love and care
Now covers the	The way we were
Ground	Now lost it's way at nights
(The blood that (4) the body)	It's the way we feel
(The blood that moves the body)	Tonight
There's nowhere to go	Lend some warmth to our cold
Tonight	And (8) lives
Lend some warmth to our cold	My love
And lonely lives	Won't you (9) back to
Red stains	Our love
On "Eyes of a blue dog"	You know we'll react to
My pains	The blood that moved our bodies
Fade as the interiors fog	Now covers the ground
The blood (5) moves my body	Now covers the ground
Now colours the	Covers the ground
Ground	(The blood that (10) the body)
(The blood that moves the body)	Covers the ground
(The blood (6) moves the body)	(The blood that moves the body)
Not long ago	Covers the ground
It (7) us so	(The blood that moves the body)
A tremble through our lives	(The blood that moves the body)
The love and care
