

Fill in the gaps

You say I love you, boy		
I know you lie		
I (1) you all the same		
I don't know why		
'Cause when my back is turned		
My bruises shine		
Our broken fairy tale		
So (2) to hide		
I (3) believe		
It's you and me 'til the end of time		
When we collide we come together		
If we don't we'll always be apart		
I'll take a bruise, I know you're (4) it		
When you hit me, hit me hard		
Sitting in a wishin' hole		
Hoping it (5) dry		
Feet cast in (6) stone		
I've got Gilligan's eyes		
I still believe		

It's you and me 'til the end of time			
When we (7)	we (8) t	ogether	
If we don't we'll always be apart			
I'll take a bruise, I (9)	you're (10)	it	
When you hit me, hit me hard			
'Cause you (11) love			
Was letting us go against what			
Our (12) is for			
Many of horror			
Our future's for			
Many of horror			
I (13) believe			
It's you and me 'til the end of time			
When we (14)	we come together	•	
If we don't we'll (15)	be apart		
I'll take a bruise, I know you're worth it			
When you hit me, hit me hard
