Wrapped Around Your

Wrapped Around Your Finger by The Police

You consider me the young apprentice
Caught between the Scylla and Charybdis
Hypnotized by you if I should linger
Staring at the ring around (1) finger
have only come here seeking knowledge
Things they would not teach me of in college
can see that destiny you sold
Furned into a shining band of gold
'll be (2) around your finger
'll be wrapped around your finger
Mephistopheles is not your name
know what you're up to just the same
(3) listen hard to your 'tuition
You will see it come to it's fruition
'll be wrapped around your finger
'll be wrapped (4) (5) finger
Devil and the deep blue sea behind me
/anish in the air you'll (6) find me
will turn your flesh to alabaster
Then you'll find your (7) is your master
Oh oh)
You'll be wrapped around my finger
You'll be wrapped around my finger
You'll be (8) my finge
Oh oh)
