

Fill in the gaps

Bat (1) eyes girl	She woke in the morning
Be otherworldly	She knew (14) her life had passed her by
Count your blessings	And she called out a warning
Seduce a stranger	Warning
What's so (2) with bein' happy?	Don't (15) let (16) pass you by
Kudos to (3) who	Floating in this
See through sickness, yeah	Cosmic Jacuzzi
Over and over and over	We are like
	Frogs oblivious
She woke in the morning	To the water
She (4) that her (5) had passed her by	Starting to boil
And she called out a warning	No one flinches
Don't (6) let life pass you by	We all (17) (18) down
I (7) we	She (19) in the morning
Learn to (8) (9) before it's	She (20) her (22) had
Made illegal	(23) her by
When will we learn? (when (10) we learn?)	And she called out a warning
When (11) we change? (when (12) we	Warning
change?)	Don't ever let (24) (25) you by
Just in time to see it all come down	Pass you by
