

Fill in the gaps

Tonight we drink to youth	But (8) it's a good hurt
And holding (1) to truth	And it feels like I'm alive
Don't wanna lose what I had as a boy	Love sings
My heart (2) has a beat but love is now a feat	When it transcends the bad things
As (3) as a (4) day in LA	Have a heart and try me
Sometimes when I'm alone I wonder	'Cause (9) love I won't survive
Is there a spell that I am under	Without love I won't survive
Keeping me from seeing the real thing?	Love hurts
Love hurts	But sometimes it's a good hurt
But sometimes it's a good hurt	And it feels like I'm alive
And it feels like I'm alive	Love sings
Love sings	When it transcends the bad things
When it transcends the bad things	Have a heart and try me
Have a heart and try me	'Cause without love I won't survive
'Cause without (5) I won't survive	Love hurts
I'm fettered and abused	
Stand naked and accused	Love hurts
Should I surface this one man submarine?	Without love I won't survive
I only want the truth	Love hurts
So (6) we drink to youth	
I'll never lose (7) I had as a boy	Love hurts
Sometimes when I'm alone, I wonder	Without love I won't survive
Is there a spell that I am under	
Keeping me from seeing the real thing?	
Love hurts
