

## Fill in the gaps

Tonight we drink to youth			But (14)	it's a (15)	hurt
And holding fast to truth			And it feels like I'm alive		
Don't wanna lose (1) I had as a boy			Love sings		
My (2)(3)	has a (4)	but	When it transcends the ba	d things	
love is now a feat			Have a heart and try me		
As common as a cold day in LA			'Cause without love I won't survive		
Sometimes when I'm alone I wonder			Without love I won't survive		
Is there a spell that I am under			Love hurts		
Keeping me from (5) the (6) thing?			But sometimes it's a good hurt		
Love hurts			And it (16) lik	ke I'm alive	
But sometimes it's a (7) hurt			Love sings		
And it feels like I'm alive			When it transcends the bad things		
Love sings			Have a heart and try me		
When it transcends the bad things			'Cause without love I won't survive		
Have a (8) and try me			Love hurts		
'Cause without love I won't survive					
I'm (9) and abused			Love hurts		
Stand naked and accused			Without love I won't survive		
Should I surface this one man submarine?			Love hurts		
I only want the truth					
So (10) we (11) to youth			Love hurts		
I'll never lose what I had as a boy			Without love I won't survive		
Sometimes (12) I'm ald	one, I wonder				
Is there a spell that I am under					
Keeping me from seeing the (13)	thing?				
Love hurts
