

Fill in the gaps

Tonight we drink to youth			But sometimes it's a good hurt
And (1)	fast to truth		And it feels like I'm alive
Don't wanna lose what I had as a boy			Love sings
My (2)	still has a (3)	but love is now a	When it transcends the bad things
feat			Have a heart and try me
As (4) as a cold day in LA			'Cause without love I won't survive
Sometimes when I'm alone I wonder			Without love I won't survive
Is there a spell (5) I am under			Love hurts
Keeping me from seeing the real thing?			But sometimes it's a good hurt
Love hurts			And it feels like I'm alive
But (6) it's a good hurt		Love sings	
And it (7) like I'm alive			When it transcends the bad things
Love sings			Have a heart and try me
When it transcends the bad things			'Cause without love I won't survive
Have a heart and try me			Love hurts
'Cause without love I won't survive			
I'm (8)	and abused		Love hurts
Stand (9)	and accused		Without love I won't survive
Should I surface this one man submarine?			Love hurts
I only want the truth			
So tonight we drink to youth			Love hurts
I'll never lose what I had as a boy			Without love I won't survive
Sometimes (10) I'm alone, I wonder			
Is there a spell that I am under			
Keeping me from seeing the real thing?			
Love hurts			

- 1. holding
