Black Heart Inertia by Incubus

Fill in the gaps

	Not to conquer but to share in the view
Walking alone tonight 'cause	You're a bonfire and I'm gathered 'round you
I've only got room for two	Set this old black heart inertia aflame
Me and my burdened black heart	Send it away
It's all we know how to do	Send it away
Yet I look for a bigger bang	Send it away
Than the kind I continually see	Send it away
Sick of all this inertia I want you to (1) me	Send it away (send it away)
Lover, can you (2) me?	Send it away (send it away)
I'm a child lost in the woods	Send it away (send it away)
A black heart pollutes me and I think	Send it (7) (send it away)
You're a mountain that I'd like to climb	You're a mountain (8) I'd like to climb
Not to conquer but to (3) in the view	Not to conquer but to share in the view
Pulled by a false inertia	You're a bonfire and I'm gathered 'round you
Pushed out by circumstance	Set this old black heart inertia aflame
Pistol firing at my (4) that's	Set it aflame, send it away
Coercing me to dance	Set it aflame, send it away
Yet I look for a bigger bang	Set it aflame, send it away
Than the kind I'm sorry to know	Set it aflame, send it away
Here I am first foot of the climb, (5) me go	Set it aflame, (9) it away
Lover, can you help me?	Set it aflame, send it away
I'm a child lost in the woods	
A lit (6) eludes me and I think	
You're a mountain that I'd like to climb
