

## Fill in the gaps

I'm tired of waiting			To rescue the state of my heart			
n' (1) my eyes			I'm looking for love			
I'm (2) myself			An' (13)	(14)	heartache	
Why is it all my horizons			I'm looking for love			
Are so far away			An' finding only heartache			
I (3) in the mirror			I'm looking for love to rely on			
Don't (4) what I see			Looking for love, a shoulder to cry on			
In my reflection			I'm (15)	for love		
A (5) is staring at me			To rescue the state of my heart			
Looking for love			To rescue the state of my heart			
The love of a woman			I'm looking for love			
The needs of a man			An' finding only heartache			
And I try so hard to believe			I'm looking for love			
But I don't understand			An' finding (16)	heartache		
The search goes on			I'm (17)	for (18)	to rely on	
But over the mountains			Looking for love, a (19) to cry on			
Across the sea			I'm (20)	for love		
I know love is waiting			To (21)	the (22)	of my hear	
I (6) it calling to me			I'm looking for love			
Calling my name			An' (23)	only heartache	e	
I'm looking for (7) all around me			I'm looking for love			
Looking for love to surround me			An' finding only heartache			
The love that I need			I'm looking for (24)	to rely on		
To rescue the state of my heart, yeah			Looking for love, a (25) to cry on			
Alone again, it's always the same			I'm looking for love			
Well, I've (8) (	9)	_ marking my time	To (26)	the (27)	of my hear	
Since the day I was born			To rescue the state of my heart			
With no one to blame			To (28) the state of my heart			
The (10)	e (10) is burning			To rescue the state of my heart		
It's way (11) lo	w					
I just need someone						
To show me the way						
The way to go, which way	to go					
I'm looking for love all aro	und me					
Looking for love to surrou	nd me					
The (12) that I	need
