

Over You by Daughtry

Now that it's all (1)_____ and done
I can't believe you were the one
To build me up then tear me down
Like an old abandoned house
And what you said when you left
Just left me (2)_____ and out of breath
I fell too far, was in way too deep
Guess I let you get the best of me...
Well, I never saw it coming
I should've started running
A long, long (3)_____ ago
And I never thought to doubt you
I'm better off without you
More than you, more (4)_____ you know
I'm slowly getting closure
I guess it's really over
I'm finally getting better
Now I'm picking up the pieces
I'm spending all of these years
Putting my heart (5)_____ together
'Cause the day I thought I'd never get through
I got over you
You took a hammer to these walls
Dragged the memories down the hall
Packed your bags and walked away
There was nothing I (6)_____ say
And when you (7)_____ the front door shut
A lot of others opened up
So did my eyes so I could see
That you never were the best for me
Well, I never saw it coming
I should've started running
A long, long time ago
And I never thought to doubt you
I'm better off without you
More than you, more than you know
