

Fill in the gaps

I'm staring out into the night	I'm not running from
Trying to hide the pain	No, I think you got me all wrong
I'm going to the (1) where love	I don't regret this life I (14) for me
And feeling good don't ever cost a thing	But these places and (15) faces are getting old
And the pain you feel's a different kind of pain	Be (16) what you wish for
I'm going home	'Cause you just might get it all
Back to the (2) where I belong	You just might get it all
And where (3) (4) has	And then some you don't want
(5) been (6) for me	Be careful what you wish for
I'm not running from	'Cause you just (17) get it all
No, I (7) you got me all wrong	You just might get it all, yeah
I don't regret this life I chose for me	Oh, well I'm going home
But these places and these faces are (8)	Back to the place (18) I belong
old	And (19) your love has always been enough for
So I'm (9) home	me
Well I'm going home	I'm not running from
The miles are getting longer, it seems	No, I (20) you got me all wrong
The closer I get to you	I don't regret (21) life I (22) for me
I've not always been the best man or friend for you	But these places and (23) are
But (10) love, (11) true	getting old
And I don't know why	I said these places and (25) faces are getting
You always seem to give me another try	old
So I'm (12) home	So I'm (26) home
Back to the (13) where I belong	I'm going home
And where your love has always been	
Enough for me
