

Enough for me

Fill in the gaps

I'm staring out into the night	l'r
Trying to hide the pain	N
I'm going to the place where love	Lo
And feeling good don't ever cost a thing	В
And the pain you feel's a different kind of pain	В
I'm going home	'C
Back to the place (1) I belong	Y
And where your love has always (2) enough for me	Aı
I'm not running from	В
No, I think you got me all wrong	'C
I don't regret this life I chose for me	Y
But these places and these faces are getting old	0
So I'm going home	В
Well I'm going home	A
The miles are getting longer, it seems	l'r
The closer I get to you	Ν
I've not always been the best man or friend for you	Ιd
But your love, remains true	В
And I don't know why	- 1
You always seem to give me another try	S
So I'm (3) home	l'r
Back to the place where I belong	
And where your love has always been	

I'm not running from
No, I think you got me all wrong
I don't regret this life I chose for me
But these places and these faces are getting old
Be careful what you wish for
'Cause you just might get it all
You just might get it all
And then some you don't want
Be (4) what you wish for
'Cause you just might get it all
You just (5) get it all, yeah
Oh, well I'm going home
Back to the (6) (7) I belong
And where your love has always (8) enough for me
I'm not running from
No, I think you got me all wrong
I don't regret this life I chose for me
But (9) places and these faces are getting old
I (10) these places and these faces are getting old
So I'm going home
I'm going home
