## The Edge Of Glory by Lady Gaga

## Fill in the gaps

| There ain't a reason                                   |
|--|
| You and me should be (1) tonight, yeah, baby           |
| Tonight, yeah, baby                                    |
| And I got a reason                                     |
| That you're who should take me home tonight            |
| I need a man that thinks it's right when it's so wrong |
| Tonight, yeah, baby                                    |
| Tonight, yeah, baby                                    |
| Right on the limits                                    |
| Where we know we both belong tonight                   |
| It's (2) to feel the rush                              |
| To push the dangerous                                  |
| I'm gonna run right to                                 |
| To the edge with you                                   |
| Where we can both (3) in love                          |
| I'm on the edge of glory                               |
| And I'm hanging on a moment of truth                   |
| Out on the edge of glory                               |
| And I'm (4) on a moment (5)                            |
| you  |
| I'm on the edge, the edge                              |
| The edge, the edge, the edge                           |
| I'm on the edge of glory                               |
| And I'm hanging on a moment with you                   |
| I'm on the edge with you                               |
| Another shot before we kiss the (6) side               |
| Tonight, yeah, baby                                    |
| Tonight, yeah, baby                                    |
| I'm on the edge  |
| Of something final we call (7) tonight                 |
| Alright, alright                                       |
| Put on your shades                                     |
| 'Cause I'll be dancing in the flames                   |
| Tonight, yeah, baby                                    |
| Tonight, yeah, baby                                    |
