The Edge Of Glory by Lady Gaga

Fill in the gaps

There ain't a reason	Alright, alright
You and me should be alone tonight, yeah, baby	It's time to feel the rush
Tonight, yeah, baby	To push the dangerous
And I got a reason	I'm gonna run (5) to
That you're who should take me home tonight	To the edge with you
I need a man that thinks it's right when it's so wrong	Where we can both fall in love
Tonight, yeah, baby	I'm on the edge of glory
Tonight, yeah, baby	And I'm hanging on a moment of truth
Right on the limits	Out on the edge of glory
Where we know we both belong tonight	And I'm hanging on a moment with you
It's time to feel the rush	I'm on the edge, the edge
To push the dangerous	The edge, the edge, the edge
I'm gonna run right to	I'm on the edge of glory
To the edge with you	And I'm (6) on a moment (7)
Where we can both fall in love	you
I'm on the edge of glory	I'm on the edge with you
And I'm hanging on a moment of truth	I'm on the edge with you
Out on the edge of glory	I'm on the edge with you
And I'm hanging on a (1) with you	I'm on the edge of glory
I'm on the edge, the edge	And I'm hanging on a moment of truth
The edge, the edge, the edge	I'm on the edge of glory
I'm on the edge of glory	And I'm hanging on a (8) with you
And I'm (2) on a moment with you	I'm on the edge, the edge
I'm on the edge with you	The edge, the edge, the edge
Another shot before we kiss the other side	I'm on the edge of glory
Tonight, yeah, baby	And I'm hanging on a moment with you
Tonight, yeah, baby	I'm on the (9) with you
I'm on the edge	With you, with you, (10) you, with you
Of something final we (3) life tonight	I'm on the edge with you
Alright, alright	With you, with you, with you
Put on (4) shades	I'm on the edge with you
'Cause I'll be dancing in the flames	With you, with you, with you
Tonight, yeah, baby	I'm on the edge with you
Tonight, yeah, baby	With you, with you, with you
It doesn't hurt	
If everybody knows my name tonight	

- 1. moment
- 2. hanging
- 3. call
- 4. your
- 5. right
- 6. hanging
- 7. with
- 8. moment
- 9. edge
- 10. with
