

Never felt a feeling quite this strong

Fill in the gaps

Baby (1) the door and turn the lights (2)	I can't believe how much it turns me on
low	Just to be your man
Put some (3) on that's soft and slow	Ain't nobody ever love nobody
Baby we ain't got no place to go	The way (7) I love you
I hope you understand	We're alone now
I've been (4) 'bout this all day long	You don't know how long I've wanted to
Never felt a feeling quite this strong	Lock the door and turn the lights down low
I can't believe how (5) it turns me on	Put some music on that's soft and slow
Just to be your man	Baby we ain't got no place to go
There's no hurry	I hope you understand
Don't you worry	I've been thinking 'bout this all day long
We can take our time	Never felt a feeling (8) was quite this strong
Come a little closer	I can't believe how much it turns me on
Let's go over (6) I had in mind	Just to be (9) man
Baby lock the door and turn the lights down low	I can't believe how much it turns me on
Put some music on that's soft and slow	Just to be your man
Baby we ain't got no place to go	
I hope you understand	
I've been thinking 'bout this all day long
