Fill in the gaps

All the things she said						
All the things she said						
Running (1) my head						
Running through my head

Running through my head						
Running through my head						
All the things she said						
This is not enough						
I'm in serious ****						
I feel totally lost						
If I'm asking for help						
It's only because						
Being with you						
Has (2) my eyes						
Who could ever believe						
Such a perfect surprise						
I keep asking myself						
Wondering how						
I keep closing my eyes						
But I can't (3) you out						
I want to fly to a place						
Where it's just you and me						
Nobody else, so we can be free						
Nobody else, so we can be free
