Ships In The Night by Mat Kearney

Like ships in the night

Fill in the gaps

Like ships in the night	And I'm at the airport waiting on a second plane
You keep (1) me by	Had to (17) and you had cramps and I was late
We're just wasting time	Headed to a red carpet they won't know my name
Trying to prove who's right	Riding in silence all that we wanna say
And if it all goes crashing into the sea	About to (18) (19) you call on the
If it's just you and me	phone
Trying to find the light	You say "I'm sorry, I'll be (20) at home"
Like ships in the night letting cannon balls fly	Feels like we're learning (21) out on our own
Say (2) you mean and it turns to a fight	Trying to (22) a way down the (23) we
Fist fly (3) my (4) as it turns south	don't know
You're down the driveway	Turn the lights down low
I'm on the couch	Walk these halls alone
Chasing your dreams (5) the violent 5th grade	We can feel so far from so close
Trying to (6) in your silent own way	Like ships in the night
'Cause we'll be ok	You keep passing me by
I'm not going away	We're (24) (25) time
Like you watched at fourteen	Trying to (26) who's right
As it went down the drain	And if it all goes crashing into the sea
And pops stayed the same	If it's just you and me
And (7) moms moved away	Trying to find the light
How many of our parents	Like ships in the night
Seem to make it anyway	You're passing me by
We're just fumbling through the grey	You're passing me by
Trying find a (8) that's not (9)	Like ships in the night
away	And I'm gonna find my way
Turn the (10) (11) low	Back to your side
Walk these halls alone	Like ships in the night
We can feel so far (12) so close	You keep passing me by
Like ships in the night	We're just wasting time
You keep passing me by	Trying to prove who's right
We're just (13) time	And if it all goes crashing into the sea
Trying to (14) who's right	If it's just you and me
And if it all (15) crashing into the sea	Trying to find the light
If it's just you and me	Like ships in the night
Trying to (16) the light	You're passing me by
Like ships in the night	You're passing me by
You're passing me by	Like (27) in the night
You're passing me by
