

## Fill in the gaps

There's a place off Ocean Avenue	If I could (11) you now
Where I used to sit and talk with you	Things (12) get better
We (1) both 16 and it felt so right	We (13) leave (14) town
Sleeping all day, staying up all	And run forever
Night	I know somewhere, somehow
Staying up all	We'll be together
Night	Let your waves crash (15) on me
There's a place on the corner of (2) Street	And take me away, yeah
We would walk on the beach in our (3) feet	I remember the look in your eyes
We were both 18, and it felt so right	When I told you that this was goodbye
Sleeping all day, staying up all	You were begging me not tonight
Night	Not here
Staying up all	Not now
Night	We're looking up at the same night sky
If I (4) find you now	And (16) the sun
Things (5) get better	will not rise
We could leave this town	We'll be (18) for one (19)
And run forever	night
Let your (6) crash (7) on me	Somewhere, somehow
And (8) me away, yeah yeah	If I (20) find you now
There's a piece of you that's here with me	Things (21) get better
It's everywhere I go, it's (9) I see	We could leave this town
When I sleep, I (10) and it gets me by,	And run forever
I can make believe, that you're here	I know somewhere, somehow
Tonight	We'll be together
That you're here	Let your waves crash down on me
Tonight	And (22) me away, yeah yeah
