

He is there

Fill in the gaps

I raffic crawls	(Oh) I know he is there
Cell phone calls	Yeah, I know he's there
Talk radio (1) at me	Hello world
Through my tinted (2) I see	How've you been?
A little girl	Good to see you my old friend
Rust red minivan	Sometimes I feel
She's got	As cold as steel
Chocolate on her face	And broken like I'm never going to heal
Got little hands	I see a light
And she waves at me	A little grace
Yeah, she (3) at me	A (6) faith unfurled
Hello world	Hello world
How've you been?	Sometimes I forget what living's for
Good to see you my old friend	And I hear my life through my front door
Sometimes I feel	And I'll be there
Cold as steel	(Oh) I'm home again
Broken like I'm never gonna heal	I see my wife
I see a light	My little boy
A (4) hope	Little girl
In a little girl	Hello world
Hello world	Hello world
Every day I drive by	All the empty disappears
A (5) white church	I (7) why I'm here
It's got these	Just surrender and believe
Little white crosses	I (8) (9) on my knees
Like angels in the yard	(Oh) (10) world
Maybe I should	Hello world
Stop on in	Hello world
Say a prayer	
Maybe talk to God like
