

## Fill in the gaps

Kiss Goodbye by Little Big Town

When you (1) something	To try and hold her back
It's all that you want back	But it don't work like that
You waited patiently	You just (15) watch it fly
But it don't work (2) that	Stand (16) on the side line
When you lose someone	Wanna swallow up your pride
The first thing (3) (4) through your head	Know it's (17) be alright
Is if you run fast enough	Wishing when I close your eyes
You (5) might catch up	With a kiss goodbye
But it don't work (6) that	When you (18) something
You (7) gotta watch it fly	It's all that you (19) back
Stand (8) on the (9) line	You just (20) watch it fly
Wanna (10) up (11) pride	Stand (21) on the side line
Know it's gonna be alright	Wanna swallow up (22) pride
Wishing when I close your eyes	Know it's gonna be alright
With a kiss goodbye	Wishing I could (23) your eyes
Well the (12) part	With a kiss goodbye
Yeah, it (13) so bad	Like a (24) goodbye
Is when she (14) her wings	
But it'd be a selfish thing
