Your Side Of The Bed by Little Big Town

On (1) (2) of the bed	Are the memories of the (15) we made
There's a (3) of our wedding day	Are you (16) (17) your own
A clock that don't work	regret?
And the bible that your daddy gave	On your side of the bed
It's on the (4) side	Aren't you (18) gonna (19) a sound?
Where the (5) creeps in at night	Your side of the bed
Staring at the ceiling	Turn the (20) way
Lying (6) all alone	When I turn the lights down
I said a prayer for you	Your side of the bed
Then I (7) one of my own	Are you lonely?
But you don't (8) for me	Like I'm lonely?
When you lie (9) quietly	How?
Tell me how	How'd you get so far away?
How'd you get so far away?	All we (21) left
All we (10) left	Are the memories of the love we made
Are the memories of the love we made	Are you sleeping (22) (23) own regret?
Are you sleeping with your own regret?	Tell me how
On (11) side of the bed	How'd you get so far away?
On your (12) of the bed	All we have left
There's a burned out (13) flame	Are the memories of the (24) we made
A letter I started	Are you (25) with (26) own
But I didn't (14) what to say	regret?
No, I couldn't write it down	On your side of the bed
So I'll try to say it now	On your side of the bed
Tell me how	Are you still awake
How'd you get so far away?	On your side of the bed
All we have left
