

Walking down the highway Traffic's coming my way All I see are flashing lights People there in blue suits Wanna know the real truth How many did I have tonight? Looking at the wreckage Anyone would guess that all inside had died But I'm alive Wake up in a strange bed Angels over my head One of them is (1)\_\_\_ \_\_ clear Thousand bolts of lightning Bring me back to life And it's a miracle that I'm still here As I'm coming to I'm screaming out for you I (2)\_\_\_\_\_ you by my side (Oh) I'm alive... No I didn't pray to God No I never saw the light No I didn't watch my life Go flashing (3)\_ \_\_\_\_ before my eyes No I didn't do the things That they all said (4)\_\_\_\_\_ I just closed my eyes and all I saw was you

All the things in my head

Everything left unsaid

I never got a second to say

## Fill in the gaps

Knew (5) I adored you
The moment that I saw you
Just terrified you'd push me away
We're all dying slowly
Just (6) you to hold me
What are we waiting for?
We're alive
No I didn't pray to God
No I never saw the light
No I didn't watch my life
Go flashing right before my eyes
No I didn't do the things
That (7) all said that I would do
I just closed my eyes and all I saw was you
If I don't die lying in the rain
And I live another day then I run to you
'Cause I don't have regrets
Just things I'd never say out to you
No I didn't (8) to God
No I never saw the light
No I didn't watch my life
Go flashing right before my eyes
No I didn't do the things
That they all (9) (10) I would do
I just closed my eyes and all I saw was you
