

Alive by Bo Bruce

## Walking down the highway Traffic's coming my way All I see are flashing lights People there in blue suits Wanna (1)\_\_\_\_\_ the real truth How many did I have tonight? Looking at the wreckage Anyone would guess that all inside had died But I'm alive Wake up in a strange bed Angels over my head One of them is (2)\_ \_\_\_\_ clear Thousand bolts of lightning Bring me (3)\_\_\_\_\_ to life And it's a (4)\_\_\_\_\_ that I'm still here As I'm coming to I'm screaming out for you I (5)\_\_\_\_\_ you by my side (Oh) I'm alive... No I didn't pray to God No I never saw the light No I didn't watch my life \_ right before my eyes No I didn't do the things That they all said that I would do I just closed my (7)\_\_\_\_\_ and all I saw was you All the things in my head Everything left unsaid I never got a second to say

| Knew that I adored you                      |
|---|
| The moment that I saw you                   |
| Just terrified you'd push me away           |
| We're all dying slowly                      |
| Just (8) you to hold me                     |
| What are we waiting for?                    |
| We're alive                                 |
| No I didn't pray to God                     |
| No I never saw the light                    |
| No I didn't watch my life                   |
| Go flashing right before my eyes            |
| No I didn't do the things                   |
| That they all said that I would do          |
| I just closed my eyes and all I saw was you |
| If I don't die lying in the rain            |
| And I (9) another day then I run to you     |
| 'Cause I don't (10) regrets                 |
| Just things I'd never say out to you        |
| No I didn't pray to God                     |
| No I never saw the light                    |
| No I didn't watch my life                   |
| Go flashing right before my eyes            |
| No I didn't do the things                   |
| That they all said that I would do          |
| I just closed my eyes and all I saw was you |
