

## Fill in the gaps

| I think of you and all you've done       |
|--|
| Tell me do you see me or have I gone?    |
| While the whitest eyes are wasting tears |
| Have you (1) left me here?               |
| I (2) to rush, the timing's wrong        |
| But in another year, I could be gone     |
| In another time, in another place        |
| Would I even wake?                       |
| You (3) me to let go (                   |
| And I had my (4) closed                  |
| Why (5) you (6) me (                     |
| If you're not gonna save me?             |
| You make me want you                     |
| But I didn't (7) to                      |
| Why would you (8) me                     |
| If you're not gonna save me?             |
| I didn't know (9) you've become          |
| I never thought (10) I'd see you run     |
| Should (11) let me sleep                 |
| No you didn't (12) to be (13) me         |
| It's chemical, you were (14) mine        |
| When I needed you, couldn't even fight   |
| In another time, in (15) place           |
| Would I even wake?                       |

| You told me to let go                 |
|---------------------------------------|
| And I had my eyes closed              |
| Why would you (16) me                 |
| If you're not gonna save me?          |
| You (17) me want you                  |
| And I didn't (18) to                  |
| Why would you wake me                 |
| If you're not gonna save me?          |
| (Oh) so just talk to me               |
| Talk to me                            |
| (Oh) the things I (19) are (20) meant |
| to be                                 |
| Talk to me                            |
| Please don't go                       |
| You (21) me to let go                 |
| And I had my eyes closed              |
| Why would you (22) me                 |
| If you're not gonna (23) me?          |
| You make me want you                  |
| And I didn't want to                  |
| Why would you wake me                 |
| If you're not gonna save me?          |
| You were never (24) to save me        |
