The Pursuit Of Vikings by Amon Amarth

The warming sun returns again	A ram is sacrificed
And melts away the snow	Across the longship's bow
The sea is freed from icy chains	And as we set our sails
Winter is letting go	A strong breeze (5) to blow
Standing on the ocean side	It carries us out to sea
We can hear the waves	With (6) of fame and pride
Calling us out with tide	And glorious all will be
To sail into our fate	That with sword in (7) will die
Oden!	Oden!
Guide our ships	Guide our ships
Our axes, (1) and swords	Our Axes, spears and swords
Guide us (2) (3) that whip	Guide us through storms (8) whip
And in brutal war	And in brutal war
Our (4) await us by the shore	Oden!
Time has come to leave	Guide our ships
Our country, family and homes	Our Axes, spears and swords
For riches in the east	Guide us (9) storms that whip
Some of us won't return	And in brutal war
But that won't bring us down	
Our fate is written in the web
