They Don't Know About Us by One Direction

People say we shouldn't be together	They don't know about us
We're too young to know about forever	They don't know how special you are
But I say they (1) know	They don't know (15) you've done to my heart
What they talk talkin' about	They can say (16) they want
(Talk talk talkin' about)	'Cause they don't know about us
'Cause this love is only getting stronger	They don't know what we do best
So I (2) wait any longer	That's between me and you our little secret
I just wanna tell the world that you're mine girl	But I wanna tell 'em
(Oh)	I wanna (17) the world that you're mine girl
They don't know about the things we do	They don't know about the things we do
They don't know about the I love you's	They don't know about the I (18) you's
But I bet you if they only knew	But I bet you if they (19) knew
They (4) just be jealous of us	They will just be (20) of us
They don't know about the up all night's	They (21) about the up all
They (5) know I've waited all my life	night's
Just to fall in love it feels this right	They (23) know I've waited all my life
Baby they don't (6) about	Just to (24) a (25) that feels this right
They don't (7) about us	Baby they don't know about
Just one touch and I was a believer	They don't know about the things we do
Every day it gets a little sweeter	They don't know about the I love you's
It's getting better	But I bet you if they only knew
Keeps getting better all the time girl	They will just be jealous of us
They don't (8) about the things we do	They don't know about the up all night's
They (9) know about the I love you's	They (26) know I've waited all my life
But I bet you if (10) knew	Just to find a love that feels this right
They (12) just be jealous of us	Baby they don't know about
They (13) know about the up all night's	They (27) know about us
They don't know I've waited all my life	They don't know about us
Just to (14) a love that feels this right
