They Don't Know About Us by One Direction

People say we shouldn't be together	They don't know about us
We're too young to know about forever	They don't know how special you are
But I say they don't know	They don't know what you've done to my heart
What they talk talk talkin' about	They can say anything they want
(Talk talk talkin' about)	'Cause they don't know (5) us
'Cause this love is only getting stronger	They don't know what we do best
So I don't wanna wait any longer	That's between me and you our little secret
I just wanna tell the world that you're (1) girl	But I wanna tell 'em
(Oh)	I wanna tell the world that you're mine girl
They don't know about the things we do	They don't know about the (6) we do
They don't know about the I love you's	They don't know about the I love you's
But I bet you if they only knew	But I bet you if they only knew
They will just be jealous of us	They will just be jealous of us
They don't know about the up all night's	They (7) know about the up all night's
They don't know I've waited all my life	They don't know I've waited all my life
Just to fall in love it feels (2) right	Just to find a love that feels this right
Baby they don't know about	Baby they don't know about
They don't know about us	They don't know about the things we do
Just one (3) and I was a believer	They don't know about the I love you's
Every day it gets a little sweeter	But I bet you if they only knew
It's getting better	They will just be jealous of us
Keeps getting better all the time girl	They don't know about the up all night's
They don't know about the things we do	They don't know I've waited all my life
They don't know about the I love you's	Just to find a love that feels (8) right
But I bet you if they only knew	Baby they (9) know about
They (4) just be jealous of us	They don't know about us
They don't know about the up all night's	They (10) know about us
They don't know I've waited all my life
