Fill in the gaps

Silence by Michael Kiske & Amanda Somerville

is it just a dream	im running in the night	
Or is it just a deja vu from nowhere?	Got nowhere else to hide	
I hide myself	I'm looking through this wounding (9)	inside me
My feelings where (1) long ago	I'm walking without aim	
Just curious in the (2) of a lonely road	No destination pouring rain	
I turn myself away through the day	Or is it just the end my lonely road	
I'm running in the night	I am ready for a fight	
Got nowhere else to hide	No matter how you try	
I'm (3) through (4)	I would be the one surviving (10)	fortress
(5) heart inside me	I would mend my broken heart	
I'm walking without aim	You can't tear it apart	
No destination pouring rain	Or is it just the end my lonely road	
Or is it just the end my lonely road	Hear it now	
Hear it now	I wonder how can feelings hurt	
I wonder how can feelings hurt	Hear it now	
Hear it now	When silence speaks louder than words	
When silence speaks louder (6) words	Hear it now	
No regret	I walk the boulevard of lonely dreams	
Another (7) in another place	Hear it now	
No looking back,	No matter if	
Just turn myself away	If my end is near	
There is innocence		
And silence that starts long ago
