### Fill in the gaps

#### Silence by Michael Kiske & Amanda Somerville

Is it just a dream	I'm running in the night
Or is it just a deja vu from nowhere?	Got nowhere else to hide
I (1) myself	I'm (17) through this wounding heart inside
My feelings where (2) long ago	me
Just curious in the (3) of a (4)	I'm (18) without aim
road	No destination pouring rain
I turn (5) away through the day	Or is it just the end my lonely road
I'm (6) in the night	I am ready for a fight
Got nowhere else to hide	No matter how you try
I'm (7) through (8) wounding	I (19) be the one (20)
heart inside me	without fortress
I'm walking (9) aim	I would (21) my (22) heart
No destination pouring rain	You can't tear it apart
Or is it (10) the end my lonely road	Or is it just the end my lonely road
Hear it now	Hear it now
I (11) how can (12) hurt	I wonder how can feelings hurt
Hear it now	Hear it now
When silence speaks (13) than words	When silence (23) louder than words
No regret	Hear it now
Another morning in another place	I walk the (24) of lonely dreams
No looking back,	Hear it now
Just turn (14) away	No matter if
There is innocence	If my end is near
And (15) that starts long ago	
A (16) without you
