### Fill in the gaps

#### Silence by Michael Kiske & Amanda Somerville

is it just a dream	i m running in the night
Or is it just a deja vu from nowhere?	Got (7) else to hide
I hide myself	I'm looking through this wounding (8) inside me
My (1) where hurt long ago	I'm walking without aim
Just curious in the middle of a lonely road	No destination pouring rain
I turn myself away through the day	Or is it just the end my lonely road
I'm running in the night	I am ready for a fight
Got nowhere (2) to hide	No matter how you try
I'm (3) through this wounding heart	I would be the one surviving without fortress
(4) me	I would mend my broken heart
I'm walking without aim	You can't tear it apart
No destination pouring rain	Or is it just the end my lonely road
Or is it just the end my lonely road	Hear it now
Hear it now	I wonder how can feelings hurt
I wonder how can feelings hurt	Hear it now
Hear it now	When silence speaks louder than words
When silence speaks louder than words	Hear it now
No regret	I walk the (9) of lonely dreams
Another morning in another place	Hear it now
No looking back,	No matter if
Just turn myself away	If my end is near
There is innocence	
And silence that starts (5) ago	
A (6) without you
