## Fill in the gaps

Every time I look (1)	(2)	You got it
(3) eyes		Baby
I see a love that money just can't buy		Anything you want (you got it)
One look		Anything you (7) (you got it)
From you		Anything at all
I drift		(You got it)
Away		I'm glad
l pray		To give
That you		My love
Are here		To you
To stay		I know
Anything you want		You feel
You got it		The way
Anything you need		I do
You got it		Anything you want
Anything at all		You got it
You got it		Anything you need
Baby		You got it
Every (4) I (5) you		Anything at all
I begin to understand		You got it
Everything (6) you		Baby
Tells me I'm your man		Anything you want
I live		You got it
My life		Anything you need
To be		You got it
With you		Anything at all
No one		You got it
Can do		Baby
The things		Anything at all (you got it)
You do		Baby
Anything you want		You got it
You got it
