To sit and wait around for something to occur
Did you know?

As he (4) across the garden
Looking at the mea dows
Wonders if they'll ever grow again

He's nearly finished with the preparations for the day

Fill in the gaps

He's (18) tired that'll do for now
They are preparing for the very worst to come to them
Getting ready when the wild wind blows
He sees the picture on the (19) it's falling down
Upside down
He (20) a teardrop from his wife (21)
down her face
Saying grace
Remember time they had
They (22) right through his mind
Left behind
Of a (23) spent together long ago
Will be gone
They've been preparing for some weeks now
For when the crucial moment comes
To take their refuge in the shelter
Let them prepare for what will come
They make a tea and sit there waiting
They're in the shelter feeling snug
Not long to wait for absolution
Don't (24) a fuss just sit and wait
Can't believe all the lying
All the screens are denying
That the moments of truth have begun
Can't you see it on the T.V.
Don't believe them in the least bit
Now the days of our ending have begun
Say a prayer when it's all over
Survivors unite all as one
Got to try and help each other
Got the will to overcome
I can't believe all the lying
All the screens are denying
That the moments of truth have begun
Can't you see it on the T.V.
Don't believe them in the least bit
Now the days of our (25) have begun
When they (26) them
Had their arms wrapped around each other
Their tins of poison (27) nearby their clothes
The day they both mistook an earthquake
For the (28) out
Just another (29) the wild wind blows
