Hallowed Be Thy Name (Live) by Iron Maiden

I'm waiting in my cold cell	As the guards march me out to the courtyard
When the bell begins to chime	Somebody cries (14) a cell "God be with you"
Reflecting on my past life	If there's a God then why has he let me go?
And it doesn't have (1) time	As I walk all my (15) drifts before me
'Cause at 5 o'clock	And though the end is (16) I'm not sorry
They take me to the Gallows Pole, yeah	Catch my soul 'cause it's willing to fly away
The sands of (2) for me are (3)	Mark my words please believe my soul (17) on
low	Don't worry now that I (18) gone
When the priest comes to read me the last rites	I've gone beyond to see the truth
I take a look through the bars at the (4) sights	When you know that your (19) is close at hand
Of a world (5) has gone very wrong for me	Maybe (20) you'll begin to understand
Can it be (6) there's (7) sort of error?	Life down (21) is (22) a strange illusion
Hard to stop the (8) terror	Yeah, yeah, yeah
Is it (9) the end, not some (10)	Hallowed be thy name
dream?	Yeah, yeah,, yeah
Please (11) me that I'm dreaming	Hallowed be thy name
It's not easy to stop from screaming	Yeah
But words escape me when I try to speak	
Tears fall but why am I crying?	
After all I'm not afraid of dying	
Don't I believe (12) (13) never is an	
end?
