

## Fill in the gaps

The freeway is jammed	Failing down
And it's backed up for miles	Falling down
The car is an oven and baking is wild	Falling down
Nothing is ever the way it should be	Falling down
What we deserve we just don't get you see	The freeway is (3) and its backed up for miles
A briefcase, a lunch and a man on the edge	The car is an oven and baking is wild
Each (1) gets (2) to losing his	Nothing is (4) the way it should be
head	What we (5) we just don't get you see
Is someone in heaven are they looking down	A briefcase, a lunch, and a man on the edge
'Cause nothing is fair just you look around	Each step gets closer to losing his head
Falling down	Is someone in (6) are they
Falling down	(7) down
Falling down	Nothing is fair just you look around
Falling down	Falling down
Falling down	Falling down
Falling down	Falling down
He's sick of waiting of lying like this	Falling down
There's a hole in the sky for the angels to kiss	Falling down
Branded a leper because you don't fit	Falling down
In the land of the free	Falling down
You can live by your wits	Falling down
Once he built missiles a nations defence	Falling down
Now he can't even give birthday presents	Falling down
Across the city he leaves in his wake	Falling down
A glimpse of the future a cannibal state	Falling down
Falling down
