What's Left Of Me by Nick Lachey

Fill in the gaps

Watched my life pass me by		Falling faster	
In the rearview mirror		Barely breathing	
Pictures frozen in time		Give me (6)	_ to believe in
Are becoming clearer		Tell me it's not all in my head	
I don't (1) waste another day		Take what's left of (7)	_ man
Stuck in the shadow of my mistakes, yeah		Make me whole once again	
'Cause I want you		'Cause I want you	
And I feel you		And I feel you	
Crawling underneath my skin		Crawling underneath my skin	
Like a hunger, like a burning		Like a hunger, like a burning	
To find a place I've (2) been		To find the place I've never been	
Now I'm broken, and I'm faded		Now I'm broken, and I'm faded	
I'm half the man I thought I would be But you can have		I'm half the man I thought I would be You can have, all that's left	
I've been dying inside		What's left of me	
Little by little			
Nowhere to go		I've been dying inside you see	
I'm going outta my mind		I'm goin outta my mind (outta m	ny mind)
An endless circle		I'm just running in (8)	all the tim
Runnin from myself until		Will you take what's left?	
You gave me a reason for (3)	_ still	Will you take what's left?	
And I want you		Will you (9) what's left?	
And I feel you		I'm (10) runnin' in circles in my mind	
Crawling underneath my skin		Will you take what's left?	
Like a hunger, like a burning		Will you take what's left?	
To (4) a place I've never been		Will you take what's left?	
Now I'm broken, and I'm faded		Will you take what's left of me?	
I'm half the man I thought I would be			
But you can have
