

And I'm tired, Effie, I'm tired

## Fill in the gaps

Ar. Shue was supposed to love me	Of all the problems you're makin' up
turn my back	I always knew you two worked together
And find myself out on the line	What?
ou could've warned me	I always (17) you two were (18)
But that would've been too kind	up on me
ve been warning you for months	Kurt had (19) to do with this change
To clean up (1) act	It was you
/ou've (2) late, you've (3) mean	It was you, always thinking of you
Giving all (4) of (5) flack	Always (20) of you
That's a lie, that's a lie	Lay off, Effie
t's just, I haven't been feeling that well	Just (21) the money and run
Effie, please	You in this with them Puck?
Stop (6) yourself	Cool it, Effie
ou've been late, you've been mean	This (22) you (23) what you've done
And (7) fatter all the time	So they got your behind too, huh?
Now you're lyin', you're lyin'	I said, cool it, Effie.
ve (8) been so thin	This (24) you've gone too far
ou're lyin', you're lyin'	(Oh) I can go further. I can go further
Cause you're knockin' off that piece	I don't wanna stay (25) this
Thinks she's better than everybody	I'm (26) breakin' in to this buisness
Runnin' for president	This is (27) all of you
She ain't better than anybody	This is none of my affair
She ain't nothin' but common	I'm not feelin' well, I got pain
Now you listen to me Ms. Blame-it-on-the-world	(Effie, we all got pain)
put up with you for much too long	(Oh) for two years I stuck with you
(9) put up with your bitchin'	I was your sister
put up (10) (11) naggin'	(You were a trouble)
And all (12) screamin' too	And now you're (28) me, it's all over
Oohh) now when are you two (13) to stop	(And now (29) you, it's all over)
All this fighting!?	And now, I'm telling you, I ain't goin'
Stay out of this Finn	(It's all over)
This is between (14) and me	I ain't goin'
/eah! (15) it's between me too	(It's all over)
m as (16) a part of this group as anybody else
