

I'm not gonna write you a love song

Fill in the gaps

Head under water		Cause you tell me it's
And they tell me to breathe easy for a while		Make or break in this
The breathing gets harder, even I know that		If you're on your way
ou made (1)	for me but it's too soon to see	I'm not gonna write you to stay
f I'm happy in your hands		If all you have is leaving
m unusually (2)	to hold on to	I'm gonna (6) a better reason
Blank (3)	at blank pages	To write you a love song today
No easy way to say this		Promise me that you'll leave the light on
ou mean well		To help me see with daylight, my guide, gone
But you make this hard on me		'Cause I believe there's a way you can love me
'm not gonna write you a love song		Because I say
Cause you asked for it		I won't write you a love song
Cause you need one, you see		'Cause you asked for it
'm not gonna write you a love song		'Cause you (7) one, you see
Cause you tell me it's		I'm not gonna (8) you a love song
Make or break in this		'Cause you tell me it's make or break in this
f you're on your way		Is that why you wanted a love song
'm not gonna write you to stay		'Cause you asked for it
f all you have is leaving		'Cause you need one, you see
'm gonna need a (4)	reason	I'm not gonna write you a love song
To write you a love song today		'Cause you tell me it's make or break in this
Гoday		If you're on your way
learned the hard way		I'm not gonna write you to stay
That they all say things you want to hear		If your heart is nowhere in it
My heavy (5)	sinks deep down under you	I don't want it for a minute
And your twisted words		Babe, I'll walk the seven seas when I believe that
our help just hurts		There's a (9) to write you
ou are not what I thought you were		A love song today
Hello to high and dry		Today
Convinced me to please you		Hey, today
Made me think that I need this too		I won't write you a love song (yeah!)
m trying to let you hear me as I am		Today
'm not gonna write you a love song		I won't write you a love song
Cause you asked for it		Today
Cause you need one, you see
