## SUB inglés

## Fill in the gaps

## Young And Beautiful by Lana Del Rey

I've seen the world	When I've got nothing
Done it all	But my aching soul
Had my (1) now	l know you will
Diamonds, brilliant	l know you will
And Bel Air now	I know that you will
Hot summer nights	Will you still love me
Mid-July	When I'm no longer beautiful
When you and I were forever wild	Dear Lord, (7) I get to Heaven
The crazy days	Please let me bring my man
City lights	When he comes, tell me that you'll let him in
The way you'd play with me like a child	Father, tell me if you can
Will you still (2) me	All that grace
When I'm no longer	All that body
Young and beautiful	All that face
Will you still (3) me	Makes me wanna party
When I've got nothing	He's my sun
But my aching soul	He makes me shine
I know you will	Like diamonds
I know you will	Will you still love me
I know that you will	When I'm no longer
Will you still love me	Young and beautiful
When I'm no longer beautiful	Will you still love me
I've seen the world, lit it up	When I've got nothing
As my (4) now	But my aching soul
Channeling angels in	l know you will
The new age now	l know you will
Hot (5) days	I know that you will
Rock and roll	Will you still (8) me
The way you'd play for me at your show	When I'm no longer beautiful
And all the ways	Will you (9) m
I got to know	When I'm no longer beautiful
Your (6) face and electric soul	Will you still love me
Will you still love me	When I'm not young and beautiful
When I'm no longer	
Young and beautiful	
Will you still love me
