Sick Cycle Carousel by Lifehouse

Fill in the gaps

If shame had a face	I tried to tame this mind
I think it would kind of look like mine	You better believe that I have tried
If it had a home would it be my eyes	To (7) this
Would you believe me if I (1) I'm tired of the	is So when will this end
Well here we go now one more time	It goes on and on
'Cause I tried to climb your steps	Over and over and over again
I tried to (2) you down	Keep spinning around
I tried to see	I know that it won't stop
How low I can get (3) to the ground	'Till I step down from this
I tried to earn my way	Sick cycle carousel
I tried to tame this mind	This is a sick cycle, yeah
You (4) believe that I have tried	Sick cycle carousel
To beat this	This is a sick cycle, yeah

Over and over again	It goes on and on
Keep spinning around	Over and over and over again
I (5) that it won't stop	Keep (8) around
'Till I step down from this for good	I know that it won't stop
I never thought I'd end up here, never	'Till I step down from this for good
Thought I'd be standing where I am	Sick cycle carousel
I guess I kind of thought	Sick cycle carousel
That it (6) be easier than this	Sick (9) carousel
