

Fill in the gaps

If shame had a face	I (19) to (20) this mind
I (1) it would kind of look like mine	You (21) believe (22) I have tried
If it had a home would it be my eyes	To beat this
Would you believe me if I (2) I'm tired of this	So when (23) this end
Well here we go now one more time	It goes on and on
'Cause I tried to climb (3) steps	Over and over again
I (4) to chase you down	Keep (24) around
I tried to see	I know that it won't stop
How low I can get down to the ground	'Till I step down (25) this
I tried to (5) my way	Sick cycle carousel
I (6) to tame this mind	This is a sick cycle, yeah
You better (7) (8) I have tried	Sick cycle carousel
To beat this	This is a sick cycle, yeah
So when will this end	
It (9) on and on	So (26) will this end
Over and over and (10) again	It goes on and on
Keep spinning around	Over and over again
I know (11) it won't stop	Keep spinning around
'Till I step down from this for good	I know (27) it won't stop
I (12) (13) I'd end up here,	'Till I step (28) from this for good
never	Sick cycle carousel
Thought I'd be standing where I am	Sick cycle carousel
I guess I kind of thought	Sick cycle carousel
That it (14) be easier (15) this	Sick cycle carousel
I guess I was wrong now one more time	Sick (29) carousel
'Cause I tried to (16) your steps	Sick cycle carousel
I tried to chase you down	Sick cycle
I tried to see	
How low I can get (17) to the ground	
I tried to (18) my way
