## Sick Cycle Carousel by Lifehouse

## Fill in the gaps

If shame had a face	I tried to tame this mind
I think it (1) kind of look like mine	You better believe that I have tried
If it had a home would it be my eyes	To beat this
Would you believe me if I said I'm tired of this	So when will this end
Well here we go now one more time	It goes on and on
'Cause I tried to climb (2) steps	Over and over and over again
I tried to (3) you down	Keep spinning around
I tried to see	I (7) that it won't stop
How low I can get down to the ground	'Till I step down from this
I tried to earn my way	Sick cycle carousel
I tried to tame this mind	This is a sick cycle, yeah
You better believe that I have tried	Sick cycle carousel
To beat this	This is a sick cycle, yeah
So when will this end	
It goes on and on	So (8) will this end
Over and over again	It goes on and on
Keep spinning around	Over and over and over again
I know that it won't stop	Keep spinning around
'Till I step down (4) this for good	I know that it won't stop
I never thought I'd end up here, never	'Till I step down from this for good
Thought I'd be standing where I am	Sick cycle carousel
I guess I (5) of thought	Sick cycle carousel
That it would be easier than this	Sick cycle carousel
I guess I was wrong now one (6) time	Sick cycle carousel
'Cause I tried to climb your steps	Sick cycle carousel
I tried to chase you down	Sick cycle carousel
I tried to see	Sick cycle
How low I can get down to the ground	
I tried to earn my way
