## You Found Me by The Fray

## Fill in the gaps

I (1) God	Surrounded
On the corner of 1st and Amistad	Surrounded
Where the West was all but won	Why'd you (11) to wait?
All alone	Where were you?
Smoking his last cigarette	Where (12) you?
I said "where you been?"	Just a (13) late
He said "ask anything"	You found me
Where were you	You found me
When everything was falling apart?	The (14) morning
All my days	The city breaks
Were spent by the telephone	And I've (15) calling
That never rang	For years and years and years
And all I needed was a call	And you never left me no messages
That never came	You (16) sent me no letters
To the corner of 1st and Amistad	You got some kind of nerve
Lost and insecure	Taking all I want
You found me	Lost and insecure
You found me	You found me
Lying on the floor	You found me
Surrounded	Lying on the floor
Surrounded	Where were you?
Why'd you have to wait?	Where (17) you?
Where were you?	Lost and insecure
Where were you?	You (18) me
Just a (2) late	You found me
You found me	Lying on the floor
You (3) me	Surrounded
But in the end	Surrounded
Everyone (4) up alone	Why'd you have to wait?
Losing her	Where were you?
The only one who's (5) known	Where (19) you?
Who I am	Just a (20) late
Who I'm not and who I wanna be	You found me
No way to know	You found me
How (6) she (7) be (8) to me	Why'd you have to wait
Lost and insecure	To find me
You (9) me	To (21) me?
You (10) me	
Lying on the floor
