

You found me Lying on the floor

## Fill in the gaps

found God	Surrounded
On the corner of 1st and Amistad	Surrounded
Where the (1) was all but won	Why'd you have to wait?
All alone	Where (4) you?
Smoking his last cigarette	Where were you?
said "where you been?"	Just a little late
He said "ask anything"	You (5) me
Where (2) you	You found me
When everything was falling apart?	The early morning
All my days	The city breaks
Were spent by the telephone	And I've been calling
That never rang	For years and years and years
And all I needed was a call	And you (6) (7) me no messages
That never came	You never sent me no letters
To the corner of 1st and Amistad	You got some kind of nerve
_ost and insecure	Taking all I want
You found me	Lost and insecure
You found me	You found me
_ying on the floor	You found me
Surrounded	Lying on the floor
Surrounded	Where were you?
Why'd you have to wait?	Where were you?
Where were you?	Lost and insecure
Where were you?	You found me
Just a little late	You found me
You (3) me	Lying on the floor
You found me	Surrounded
But in the end	Surrounded
Everyone ends up alone	Why'd you have to wait?
_osing her	Where were you?
The only one who's ever known	Where (8) you?
Who I am	Just a little late
Who I'm not and who I wanna be	You found me
No way to know	You found me
How long she will be next to me	Why'd you have to wait
Lost and insecure	To (9) me
You found me	To (10) me?
